

Hiring of recruitment website services

TUSDEC (Technology Upgradation & Skill Development Company) is implementing a project funded by European Commission to support the Technical Vocational Education and Training (TVET) sector in Pakistan focusing Khyber Pakhtunkhwa (KP) and the Federally Administered Tribal Areas (FATA). The overall objective of this project is to contribute to the improvement of technical and vocational training in support of economic development and employment opportunities in Pakistan (KP&FATA).

We intend to hire a renowned online recruitment agency for assistance in hiring process and seek for the following main services:

- Job Postings for at least 20 positions
- Shortlisting / Screening Services for the advertised positions, Job seeker History and Tracking
- Access to the resume database
- Placement of Company Logo on website's front page
- Placement of job opening with company logo etc.
